2020 AT A GLANCE

In 2020 we are celebrating the amazing talent in our orchestra and in our region – the sort of talent that led to us winning the 2019 APRA Art Music award for excellence in a region and commitment to performing Australian compositions. We will be showcasing Australian composers and performers who live, work and play in our region, as well as some from farther afield.

Pt Kembla

Program 1 The Composer is in the Room

We are honoured to premiere *Cinque Forme d'Amore*, a new work by Elena Kats-Chernin, #1 favourite Australian composer. Commissioned by a local philanthropist in memory of her late husband and their life here together. The all-Australian program includes works by other local composers.

Program 2 Earth Connections

Featuring William Barton on didgeridoo. We reach out to local indigenous artists to collaborate with Steel City Strings in a program of shared creations.

Program 3 Seasons

By popular demand: Vivaldi, Bach, and other chamber orchestral favourites.
